EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Shun Yao on September 10, 2007.

The application has been amended as follows:

In claim 14, line 1, the phrase "The computer-readable storage medium of claim 14" is changed to "The computer-readable storage medium of claim 13".

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: Claims 1-36 are allowable over prior art references because related references do not disclose determining a correlation between a first signal and second signal to facilitate reducing downtime of a computer system, wherein the signals are related to computer system performance parameters, performing alignment adjustment to the second signal and determining correlation with the
